As humans, we love stories. For as long as we have had speech, stories have been used to communicate emotions and experiences. Stories can be used for lots of different purposes – to educate, to provide pleasure, to solve problems. But here we're considering how to use them to communicate the difference your organisation makes in people's

lives - your outcomes and impact.

How to tell your impact story — NCVO Knowhow

Stories are pieces of art, and can serve as a basis of games. We can study how a story is told/performed/presented (presentation analysis). And we can study the actual content of the story
